

**THE FOLLOWING WARRANTY TERMS ARE OFFERED ON NEW EQUIPMENT SOLD BY**

**1. DURATION:** Except for soft goods parts designed to wear in the normal course of operation, such as speed seals, washers, and "O" rings, Galiso extends a one year warranty from date of purchase (to the original purchaser) for all its manufactured products with the exception of Collar Tooling products, which are warranted for six months. For all spare parts purchases, Galiso extends the manufacturer's warranty or 90 days, whichever is longer, with the exception of air motors used in the GVM -16 Valving Machine, which are warranted for six months.

**2. COVERAGE:** Galiso manufactured equipment is warranted against defective materials or workmanship.

**THIS WARRANTY IS VOID IF:**

**A) THE EQUIPMENT HAS BEEN DAMAGED BY ACCIDENT OR UNREASONABLE USE, IMPROPER SERVICE, NEGLIGENCE, OR OTHER CAUSES NOT RELATED TO DEFECTS IN MATERIAL OR WORKMANSHIP.**

**B) THE SERIAL NUMBER HAS BEEN ALTERED OR DEFACED.**

**3. WARRANTY PERFORMANCE:** Galiso reserves the right to make warranty determination only after inspecting your article at its own plant. During the above stipulated warranty period, after defective or damaged equipment is received (freight prepaid), inspected by us at our facility and determination made that failure is covered by warranty, your equipment will either be repaired, or replaced with a model of the same or equivalent quality at Galiso's option. In the event of replacement, the replacement unit will continue the warranty of the original equipment or 90 days, whichever is longer. No charge will be made for such repair, adjustment, and/or replacement, other than the return freight. Returned items will not be insured unless your return document so requests.

**4. SERVICE EQUIPMENT:** Galiso attempts to make available, whenever possible, a limited amount of service equipment at a minimal use charge (plus freight expense) for those customers wishing to avoid downtime during repair of their equipment. Such items are available only on a first come, first served basis and are billable at the specific service charge applying (minimum one month). In the event service equipment is not available, you may elect to purchase a new part to replace the part being sent to Galiso for warranty review. In such instances, when warranty determination is positive and unless you request repair and return, Galiso will agree to retain the failed part and will issue a credit memo (less freight expense) for the purchased replacement item.

**5. MODEL CHANGES :** Galiso reserves the right to make changes in materials and specification, without notice. Galiso may offer (for a stipulated fee) the opportunity to upgrade your equipment to the latest configuration. If you take advantage of such offer, any warranty of the upgraded equipment will be only as specified in the terms and conditions of such an offer.

**6. WARRANTY DISCLAIMER:** Galiso Incorporated provides technical data and assistance, to aid customers in the selection and use of our products. However, there are no implied warranties of merchantability or of fitness for a particular purpose given in connection with the sale of any goods.

Galiso Incorporated does not assume liability for consequential, incidental, or special damages. The purchaser's sole and exclusive remedy and the limit of Galiso's liability for any loss whatsoever shall not exceed the purchase price paid by the purchaser, for the unit(s) or equipment to which a claim is made. Many of Galiso's products carry a specific warranty which specifies the length of the warranty period, and the level of performance that the product must maintain within that period.
